The Last Airbender did not do M. Night Shyamalan any favours with the critics. The film seemingly fell flat on its face, which is strange considering how successful the show was, not to mention the fact that a successful director was taking the reigns. However, eight years on from the release of the first film,...

Set 70 years after the events of Avatar: The Last Airbender, The Legend of Korra follows Korra – a strong-willed young woman who, as the reincarnation of the Avatar, can bend the four primal forces of nature to her will. Korra lives in Republic City, a melting pot where benders and non-benders from all nations live and thrive.
