New Criticism. A literary movement that started in the late 1920s and 1930s and originated in reaction to traditional criticism that new critics saw as largely concerned with matters extraneous to the text, e.g., with the biography or psychology of the author or the work's relationship to literary history.

Introduction to Modern Literary Theory - Kristi Siegel

But as the ultimate object of these papers is to determine clearly and fully the merits of this Constitution, and the expediency of adopting it, our plan cannot be complete without taking a more critical and thorough survey of the work of the convention, without examining it on all its sides, comparing it in all its parts, and calculating its probable effects.

Critical - definition of critical by The Free Dictionary

What if you could add a chronic or critical illness rider to your life insurance policy at a very low cost? Would this be valuable to you? What if you could have peace of mind knowing that if you became so ill that you could not work but you still needed to remodel your home to accommodate your illness, would that be important to you?

What Are Critical Illness Insurance and Chronic Illness ...

Critical reading is a form of language analysis that does not take the given text at face value, but involves a deeper examination of the claims put forth as well as the supporting points and possible counterarguments. The ability to reinterpret and reconstruct for improved clarity and readability is also a component of critical reading. The identification of possible ambiguities and flaws in ...
