Classical Composition. The courses teach the vocabulary of the progymnasmata, teaching and using words such as effictio, chronographia, astrothesia, and geographia to name the figures of description that are an important component of each course. Appendices at the back of each student book and teacher guide include a glossary of the figures of description with examples.

### **Classical Composition - Cathy Duffy**

The Classical Composition I: Teacher Guide provides sample answers for every lesson, as well as teaching and grading guidance. In this initial Fable stage, students look at a single story or idea and begin learning how to use words to engage the imagination of the audience.

### **Classical Composition I: Fable Teacher Guide - Memoria Press**

The Fable Stage is the first step in the Classical Composition series which presents the same program that gave Milton, Shakespeare, Benjamin Franklin, Quintilian and Cicero their mastery - the progymnasmata. The Fable Stage is a clear, systematic, structured writing curriculum that teaches that great writing starts with imitation.

### **Classical Composition I Fable Stage - Good and Acceptable**

Designed for students as young as 4th grade, Classical Composition teaches students the fourteen composition skills known as the progymnasmata. This Fable level is the first level in the program and provides the first of 14 stages.

### **Classical Composition Book I, Student Book Fable Stage ...**

About Classical Composition I: Fable Stage Teacher Guide 20 lessons that teach outlines, variations and paraphrasing using fables as short, narrative examples. The goal is to learn how to use words to so engage the imagination that the idea is believed by the audience.

### **Classical Composition I: Fable Stage Teacher Guide ...**

The Classical Composition Course is intended to teach students in a progressive manner, starting with Volume I and continuing with consecutive volumes in order, regardless of the grade level of your student.

### **CLASSICAL COMPOSITION VOL. I TEACHER MANUAL: FABLE STAGE**

The full course is set forth in substance and sequence in the Fable Stage Teacher Manual, a complete, self-contained course that is part of a series. The Student Workbook compliments each lesson. English Composition I: Fable Stage is suitable for introducing classical composition to 4th or 5th graders.

### **Classical Composition Curriculum - Kolbe Academy**

Classical Composition 1 Fable Stage. The Fable Stage is the first of fourteen stages in the Progymnasmata exercises. The Greeks developed this series of exercises to prepare the students for rhetoric and delivering formal orations.

### **Classical Composition 1 - Kolbe Academy**

To give you an idea of how user-friendly these courses are: Each lesson in the Fable Stage starts with reading the fable, determining the three plot components, and discovering synonyms for selected words leading to writing sentences in a varied way. The fable is then outlined and two paraphrases are written incorporating specific suggestions.

The Progym Plan: Fable Stage. I tried to get a sense of it all so that I could do it on my own, but I finally decided to break down and buy a copy of the teacher guide for the fable stage of Classical Composition by James Selby. I'm so glad I did because it gave me a chance to see what it might look like to actually teach the progymnasmata to an actual student.
