### **Crisis In Europe Outline Map**

The European debt crisis erupted in the wake of the Great Recession around late 2009, and was characterized by an environment of overly high government structural deficits and accelerating debt levels. When, as a negative repercussion of the Great Recession, the relatively fragile banking sector had suffered large capital losses, most states in Europe had to bail out several of their most

The Congo Crisis (French: Crise congolaise), was a period of political upheaval and conflict in the Republic of the Congo (today the Democratic Republic of the Congo) between 1960 and 1965. The crisis began almost immediately after the Congo became independent from Belgium and ended, unofficially, with the entire country under the rule of Joseph-Désiré Mobutu.
