ST:TOS 2.13 Obsession. Kirk becomes obsessed with a stinky cloud of death. It's like the Lost smoke monster, but if it was a vampire. It killed Kirk's crew when he was a junior Lieutenant on the Farragut, way back when, and now he wants revenge. I think Star Trek is running out of steam; the deadly space fart is close to being the silliest creature they've ever come across (after the ...

Girl Behind the Door opens with the renegade Iowa farm girl who ran away to New York City to be a

writer returning home to find her dying, nearly 100-year-old mother lying naked on a bed in the Memory Care Unit of a nursing home. Despite the haunting beauty of Dickinson's language, naked is possibly the best way to describe her prose. Naked emotion.
