Don't just do something. Stand there! Twice in the last 9 months, the S&P 500 dropped about 10 percent in a matter of weeks. "This is it. The beginning of the bear market" said the doomsayers. They could have been proven right, but both times the markets bounced right back. Eventually, they will be right, and then they'll say "I told you so." Of...

Don't Just Do Something; Stand There. However, occasionally inaction is preferable, and the following rearranged sentence has been employed: Don't just do something, stand there. I have seen these words attributed to Dwight D. Eisenhower, Clint Eastwood, and Lewis Carroll's White Rabbit.

Don't Just Do Something; Stand There - Quote Investigator

Don't look now, but we're becoming a chair-shaped species. Even if you run a construction or remodeling firm, are a project manager, or lead carpenter, you've got time in your day hunched over a screen managing things, you're in your truck driving, or you're sitting down at 6:30 at night at a client's kitchen table to talk to them about the new deck they want.

There, if you just react, you could end up killing someone. Better to take a moment to stop and size up the situation before acting. The problem is, you're often in panic yourself.

Don't Just Do Something - KabbalaToons

"Don't Just Do Something" is a challenging, encouraging, caring book about nothing—which is an excellent find for someone whose days are much, much too full of "something." The book presents itself as a manual for a three-day mindfulness retreat (arrive, sit, walk, sit, tea, sleep, etc.), so I was at first tempted to put the book down and scan the library shelves for another alternative.
