The power of gender equality to transform the business of law: an international symposium held at the Hilton Bankside on Thursday 20 and Friday 21 June.

International symposium - The Law Society

Long-term, sustainable development will only be possible when women and men enjoy equal opportunity to rise to their potential. But today, women and girls continue to face disadvantages in every sector in which we work, while in some cases, boys are falling behind. For decades, USAID has been leading global efforts to achieve gender equality.

Gender Equality and Women's Empowerment - usaid.gov

Gender equality is a human right. Women are entitled to live with dignity and with freedom from want and from fear. Gender equality is also a precondition for advancing development and reducing poverty: Empowered women contribute to the health and productivity of whole families and communities, and they improve prospects for the next generation.

Gender equality | UNFPA - United Nations Population Fund
