

## *Essentials Of International Human Resource Management*

### **Essentials Of International Human Resource**

"Essentials of International Human Resource Management: Managing People Globally is a must-read for anyone studying or managing human talent in a global context. Written by leading experts in the field, this book should be on the bookshelf of anyone needing cutting-edge knowledge in international human resource management."

### **Essentials of International Human Resource Management ...**

"Adopting a truly global perspective, Essentials of International Human Resource Management by Thomas and Lazarova, provides a first rate account of the anatomy of this evolving field. In incorporating insights garnered from international, comparative and cross-cultural lenses, the authors unearth the explanatory power of contextualism and demonstrate the true value of a 'levels of analysis' approach.

### **Essentials of International Human Resource Management ...**

The field of international human resource management has its roots in the study of managing expatriates in the multinational firm and in comparisons of management practice in different countries. In recent years, the strategic management of human resources in the multinational firm has been the dominant consideration.
