If you're an INFP, chances are pretty good that you dislike or downright hate your career. Part of this is because we are idealists. We see things the way they should be and have troubles accepting the way things are. We keep our heads in the clouds where we come up with great ideas only to have them shot down by others.

Fashion is a popular aesthetic expression in a certain time and context, especially in clothing, footwear, lifestyle, accessories, makeup, hairstyle and body proportions. Whereas a trend often connotes a very specific aesthetic expression, and often lasting shorter than a season, fashion is a distinctive and industry-supported expression traditionally tied to the fashion season and collections.
