John Newton (1725-1807): The Former Slaver & Preacher. John Newton was an Anglican clergyman and former slave ship master. It took him a long time to speak out against the Slave Trade but he had an influence on many young evangelical Christians, particularly William Wilberforce.

John Newton (1725-1807): The Former Slaver & Preacher: The ...

Popular fables illustrating young George Washington's youthful honesty, piety, and physical strength have long taken the place of documented fact. Some of these fables are more plausible than others. The story that Washington threw a silver dollar across the Potomac River -- an impossible feat -- had its origins in the recollections of a cousin that George could throw a stone across the much ...

What the author's immediate purpose in writing "What to the Slave is the Fourth of July" most likely was A. to persuade readers about the unjust treatment of African Americans. Maybe at the time people didn't think they were treating African Americans unjustly.

What was most likely the author's immediate purpose in ...

America's Founding Fathers are seen by some people today as unjust and hypocrites, for while they talked of liberty and equality, they at the same time were enslaving hundreds of thousands of Africans. Some allege that the Founders bear most of the blame for the evils of slavery. Consequently, many today have little respect for [...]
