By Paul Emanuelli This article is an excerpt from The Art of Tendering: A Global Due Diligence Guide, which is available for purchase.. While bid-rigging, price-fixing, and collusion may appear to be isolated incidents that occur in other locales far removed from your location, the reality is that these practices are widespread in nature and impact many jurisdictions worldwide.

Newsreel Reveals Global Bid-Rigging Pandemic

Bidding is an offer (often competitive) to set a price by an individual or business for a product or service or a demand that something be done. Bidding is used to determine the cost or value of something. Bidding can be performed by a "buyer" or "supplier" of a product or service based on the context of the situation.

Introduction. My intention with this essay is to increase the awareness of the complications of vagueness in the "science" of governing. I will discuss the significance of vagueness in laws as well as the application of vagueness by politicians to control, confuse, exploit and even do great harm to citizens, usually, according to political philosophers, in the pursuit of their own self-interests.
