

## *How To Cook Barramundi*

### How To Cook Barramundi

Barramundi is a loanword from an Australian Aboriginal language of the Rockhampton area in Queensland meaning "large-scaled river fish". Originally, the name barramundi referred to *Scleropages leichardti* and *Scleropages jardinii*. However, the name was appropriated for marketing reasons during the 1980s, a decision which has aided in raising the profile of this fish significantly.

### Barramundi - Wikipedia

Barramundi are also known as Sea Bass, Barra, giant perch, giant sea perch, silver barramundi. The name Barramundi came from an Aboriginal word that means 'large scaled river fish'. Barramundi are harvested as part of the set gill net fishery on the eastern coast of Queensland and in the Gulf of Carpentaria. They are also farmed.
