### Proactiv Solution | Original Acne Treatment System | Proactiv®

Proactiv, also known as Proactiv Solution, is a brand of skin-care products developed by two American dermatologists, Katie Rodan and Kathy A. Fields, and launched in 1995 by Guthy-Renker, a California-based direct marketing company. The range includes moisturizers, body washes and hair products, but the brand is known for its three-step anti-acne kit consisting of a cleanser, toner and lotion.

In organizational behavior and industrial/organizational psychology, proactivity or proactive behavior by individuals refers to anticipatory, change-oriented and self-initiated behavior in situations. Proactive behavior involves acting in advance of a future situation, rather than just reacting. It means taking control and making things happen rather than just adjusting to a situation or ...
