Transforming results by changing beliefs and behaviours “Culture eats strategy for breakfast” is a famous quote from legendary management consultant and writer Peter Drucker.

Culture eats strategy for breakfast - The Management Centre

Management (or managing) is the administration of an organization, whether it is a business, a not-for-profit organization, or government body. Management includes the activities of setting the strategy of an organization and coordinating the efforts of its employees (or of volunteers) to accomplish its objectives through the application of available resources, such as financial, natural ...
