Quick Homemade Pimple Solutions - BecomeGorgeous.com

This is a mechanical problem, and treatment involves shaving less (growing a beard, laser hair removal). Pseudofolliculitis can, of course, occur in patients who have acne, too. Folliculitis: Pimples can occur on other parts of the body, such as the abdomen, buttocks, or legs. These represent not acne but inflamed follicles.

How to Get Rid of Acne (Pimples) - MedicineNet

Hi, my sister has a pimple problem. She has an important performance tomorrow and she was begging me to find a solution so her pimple would go away in about a day. She has a large red pimple without a whitehead on it. She tried the toothpaste (Colgate total which is the white toothpaste) which only made it worse and her pimple looks more red than usual and slightly burnt.
