Reforming Chile Cultural Politics Nationalism

Career Pathways and Prospects. Through rigorous coursework, internships, mentoring and networking opportunities in the nation's capital, the Political Science program is the ideal launching point for a successful career in any of the following areas:

Political Science Program - BS | University of the ...

Radical centrism (also called the radical center/centre or radical middle) is a political ideology that arose in the Western nations in the late 20th century. At first it was defined in a variety of ways, but at the beginning of the 21st century a number of political science texts gave it a more developed cast.

Feminism in Norway - Wikipedia

This article discusses the gendered nature of politics (as practice) and political science (as an academic discipline). It studies the sex-typing characteristic of most institutions in the modern world and describes how gender shapes the ways people organize, think, and know about the world. The article then identifies the changes that have occurred in politics and political science over the ...
