### **Remember Me Like This By**

Remember Me is an action-adventure video game developed by Dontnod Entertainment and published by Capcom. It was released worldwide in June 2013 for Microsoft Windows, PlayStation 3 and Xbox 360. The game's plot focuses on Nilin, a memory hunter working for an underground resistance called the Errorists. When the game starts, she has been stripped of nearly all her memories by megacorporation ...

You don't have to use a shoebox for Spaced Repetition, but it's funnier if you do. and this is my private tutor ??? they're TRAINERS we're not friends anymore (Later, we'll look at some Spaced Repetition apps, like Anki & Tinycards) This setup is called The Leitner Box. It's like a card game you play against yourself! First, divide your box up into seven "Levels".

Thank you for sending me the email to this post this morning. I feel like I read it at just the right time. The underlying principle you mention of doing the hard things, even when the going rough, is the reminder I needed today as I attempt to reconcile things with my husband who I am presently separated from.
