Gameplay. Fate/stay night 's gameplay requires little interaction from the player as most of the game's duration is spent on reading the text that appears, representing either dialogue between the characters or the inner thoughts of the protagonist. Often, players will come to a "decision point" where they are given the chance to choose from options displayed on the screen, typically two to ...

If you are an experienced traveler you likely know many of the ins and outs of flying. While you might consider yourself an expert in the field (or, may we say, airfield) there are many aspects of air travel that only airport and airline insiders know. For all those curious passengers who've wondered just how clean or safe planes are, you've come to the right place.
