Sensual Massage Tips

Sensual Massage is an intimate art, an ancient practice which is great for old and young alike. Sensual massage combines the physical with the spiritual, it is a fusion of environment, preparation and pressure points.

Sensual Massage Sensual Touch Massage

A sensual massage is a massage that focuses on the partner's erogenous zones to provide both stress relief and increased intimacy between both partners. This is a very unique activity that provides both partners with the opportunity to build intimacy and trust. Sensual massages are unique because the goal of the sensual massage is not to orgasm (though that may be a pleasant reaction), but ...
