Show Me A Hero

Show Me a Hero is a six part mini series that takes six episodes to watch. The reason I say this is because I found myself changing my mind multiple times on what I thought about what I was watching. Unlike the Wire, there is a lack of action and climatic moments. This gave the Wire the suspense element to go along with the drama.

Show Me A Hero is a deft portrayal of a community, and one that doesn't rely on a narrative of great moments or two sides reconciling; it's a narrative of a piece of impossible machinery that accidentally sent something useful down the conveyor belt, and how that thing affects the community around it. The crux of what makes it timeless is ...
