

Teaching Diversity Democracy

Teaching Diversity Democracy

Teaching Tolerance provides free resources to educators—teachers, administrators, counselors and other practitioners—who work with children from kindergarten through high school. Educators use our materials to supplement the curriculum, to inform their practices, and to create civil and inclusive school communities where children are respected, valued and welcome participants.

Teaching Tolerance | Diversity, Equity And Justice

Students from low-income backgrounds come to college with valuable perspectives and strengths, yet they also face daunting challenges—from rising college costs, to family and work responsibilities, to the difficulty of navigating predominantly middle-class norms on campus, to basic needs insecurity.

Among a teacher's most arduous tasks each semester is to prepare syllabi for the upcoming class schedule. As faculty teach a more diverse array of courses, many rely on assistance and suggestions from colleagues to design classes and on the growing number of syllabi that can be found online.

American Political Science Association > TEACHING ...

Culturally relevant or responsive teaching is a pedagogy grounded in teachers' displaying cultural competence: skill at teaching in a cross-cultural or multicultural setting. Teachers using this method encourage each student to relate course content to his or her cultural context. While the term often deals specifically with instruction of African American students in the United States, it has ...

Democracy (Greek: δημοκρατία *dēmokratía*, literally "rule by people") is a system of government where the citizens exercise power by voting. In a direct democracy, the citizens as a whole form a

governing body and vote directly on each issue. In a representative democracy the citizens elect representatives from among themselves. These representatives meet to form a governing body ...

Democracy - Wikipedia

Why do children go to school? Most people would say it's to learn the three R's: reading, writing and 'rithmetic. But a school culture that promotes diversity in the classroom teaches students something that's more important: how to live and work in a society where every individual is unique.. In an increasingly fragmented society, the ability to connect with peers, coworkers and ...
