Vocabulary. Vocabulary is difficult for ELLs; even for quite proficient learners, the extent of their knowledge of vocabulary is only a fraction of what it is for native speakers of English, and the failure to understand even a few words of a text can have negative effects on comprehension.

### **What Does Research Tell Us About Teaching Reading to ...**

1. Know your students. Increase your understanding of who your students are, their backgrounds and educational experiences. If your students have been in US schools for several years and/or were educated in their country of origin, are literate or not in their native language, may provide you with a better understanding of their educational needs and ways to support them.
