

The Biblical World An Illustrated Atlas

The Biblical World An Illustrated

The scope of the biblical world is large, but this mass of history is concisely packaged in The Biblical World: An Illustrated Atlas. Like most National Geographic material, the work is professional, thorough, and geared not to scholars but to the average person. Readers will enjoy the balance between the visual and the verbal.

The Biblical World an Illustrated Atlas. I was mesmerized when I saw this book at my niece's home. When I bought a copy for myself, I was completely satisfied. I plan to walk in the footsteps of Paul, visiting major stops on his three journeys. This book provided pictures, commentary, and historical references which will enhance my trip.
