The Canadian Mathematical Bulletin was established in 1958 to publish original, high-quality research papers in all branches of mathematics and to accommodate the growing demand for shorter research papers. The Bulletin is a companion publication to the Canadian Journal of Mathematics that publishes longer papers. New research papers are published continuously online and collated into print ...

Construction of the new bridge will begin in the spring. Construction on the bridge will occur daily from 8:00 p.m. to 4:00 a.m. Note the similar construction of the buildings. Some people think it is wrong to end a sentence with a preposition, but the construction is quite common in English. That verb is commonly used in passive constructions. This word is used in positive constructions.
