

## *The English Utilitarians Volume I*

### **The English Utilitarians Volume I**

Utilitarianism is a family of consequentialist ethical theories that promotes actions that maximize happiness and well-being for the majority of a population. Although different varieties of utilitarianism admit different characterizations, the basic idea behind all of them is to in some sense maximize utility, which is often defined in terms of well-being or related concepts.

Jeremy Bentham (1748—1832) Jeremy Bentham was an English philosopher and political radical. He is primarily known today for his moral philosophy, especially his principle of utilitarianism, which evaluates actions based upon their consequences. The relevant consequences, in particular, are the overall happiness created for everyone affected by the action.
