Understanding Confucian Philosophy: Classical and Sung ...

This volume is the follow-up to Understanding Confucian Philosophy: Classical and Sung-Ming, which presented the first two Epochs of Confucian philosophy. The third Epoch, presented in this book, is that of Contemporary Neo-Confucian philosophy.

Essentials of Contemporary Neo-Confucian Philosophy ...

Confucianism is one of the backbones of Chinese culture and way of life. In China, this philosophy is blended with Taoism and Buddhism in much of the country. It is difficult to say how many people follow Confucianism, as it is not a registered philosophy or church, and few people describe themselves only as Confucianism followers.

Learning and Understanding Confucianism: Chinese Philosophy

Fung 1952 (originally published in Chinese in the 1930s and in English in 1952) was one of the first systematic studies of Chinese philosophy by someone trained in both Chinese and Western philosophy. Fung covered the whole intellectual tradition in China, not just Neo-Confucianism.

Neo-Confucianism - Chinese Studies - Oxford Bibliographies

The heart of Confucianism is explained here as the adoption of the policies of inculcating virtue in people by the example of tradition and the jen of the superior person. Confucius (551-479 BC) was a Chinese teacher, editor, politician, and philosopher of the Spring and Autumn period of Chinese history.
