Went The Day Well Location

Went the Day Well? is a 1942 British war film adapted from a story by Graham Greene and directed by Alberto Cavalcanti. It was produced by Michael Balcon of Ealing Studios and served as unofficial propaganda for the war effort. It tells of how an English village is taken over by German paratroopers. It reflects the greatest potential nightmare of many Britons of the time, although the threat of ...

I tried to collect all of them. It was like the world's worst game of Pokémon. Well after the initial cleanup concluded, crickets kept turning up in inconvenient locations throughout the day.

I ordered a box of crickets from the Internet, and it went ...

Samuel Finley Breese Morse, OIC (April 27, 1791 - April 2, 1872) was an American painter and inventor. After having established his reputation as a portrait painter, in his middle age Morse contributed to the invention of a single-wire telegraph system based on European telegraphs. He was a co-developer of Morse code and helped to develop the commercial use of telegraphy.
