Why Do We Fall In

A question that receives quite a bit of attention in the psychological literature is why people fall in love.

The 11 Reasons We Fall in Love | Psychology Today

Why Do We Fall In Love? (Based on the psychology of falling in love) You were walking down the street, nothing was unusual and then suddenly she came out from a nearby shop and it happened that you fell in love with her at the first sight!

Why Do We Fall In Love (Based on the psychology of falling ...

How did we evolve to fall in love? When we're trying to answer the question "what's the point of love?" we need to check out the science.

The Totally Weird (but True) Reasons We Fall in Love ...

If we admit to a cooperative, loving past for humanity, and that we 'fall in love' to escape the current less-than-ideal, corrupted, so-called 'fallen' state of humans today, we then have to ask why the human race departed from this marvellous original Garden-of-Eden-like state of innocence — what is the origin of humans' present ...

Why Do We Fall - Motivational Video

"Today, falling in love is socially defined. If we didn't have love stories to establish the expectation of falling in love, we might not do it. We would still bond, though," she says, noting that contemporary love is more successful when key components like passion, companionship and commitment are present.

Why Do We Fall in Love? | HowStuffWorks

We fall in love (the scientific answer, not the philosophical answer) because of hormones that create a feeling of extreme attraction. In a way, love is about sex. Love is the attraction that pulls you in to someone well suited to mate with you. In the philosophical sense, love happens because you can't imagine being without someone.

why do we fall in love? | Yahoo Answers

The question now is: Do these chemicals have an effect on the type of person you can fall in love with, and if so, how? Truth be told, the amount of information that we have on this topic is abysmal.

Why Do We Fall in Love? - Marriage

Tell me why do we fall in love? We think love is perpetual, but the one who loves you will let you go The pleasure that is imaginable, it will make you leave a happy home But all we take is love for serious, do we really know what it means to us Cause if it wasn't for love we wouldn't be born, but no one really ever knows
