Literature Terms Quizzes and Worksheets - Softschools.com

As with most types of figurative language, students encounter similes in their daily speech as well as in literature. In spite of their frequency, similes may not be as easy as the ABCs for students to understand. In order to understand and analyze a simile, students need to search for keywords, identify the objects being compared, and understand the correlation between the two objects.

Simile Words List - Simile Practice - VocabularySpellingCity

Simile Examples. A simile is a comparison between two different things using the word "like" or "as" to make the comparison. Similes are generally easier to identify than metaphors, but not always.
